- Summer Learning Labs
  July 20-24
  Aug 10-14
- Thursday Aug 27th
  5:00 - 6:30 - Back to School Night and Parent Orientation. Childcare available.
- Aug 31 - First Day of School

Summer Days Drifting Away....

I hope everyone has been able to slow down the pace and enjoy these summer weeks. It always amazes me how quickly the summer flies by. I start the summer with a huge personal 'to do' list. It is always around this time that I recognize that the list needs to be shortened and it is much more important to go for the long walks and catch up with friends then it is to clean out the basement!

The 'to do' list here at school is always long in the summer too. We are making our way through the list and enjoying the slower summer pace here. The Summer Camp is in week 2 and the kids are having such a wonderful time. Today they will be making zucchini bread with the zucchini from the school garden! The garden is bursting. Last week they made and then snacked on kale chips, yum!

Cindy and I have been working on the events calendar for next year. There is a copy in this mailing. Please mark these dates on your home calendars. We send this out now so that everyone can plan ahead.

I am happy to tell everyone that we are bringing back Muffin Mondays into the schedule. One Monday of each month parents and guardians are invited to stay for an hour after dropping off their children. We have coffee and muffins and take some time to socialize and to be updated on happenings around the school. It is a time that you can ask questions and get to know the school and the community better. I will have a small agenda of things to touch on, but it is mostly your time to inquire about the how’s, when’s, where’s and why’s.

This packet of information and forms from Cindy is very important. Some things are just for your information, but there are a few forms that need to be attended to. I appreciate your attention to these. The sooner we can have them back to us, the easier and smoother it is during the first few days of school.

Back to School Night is for all families of the school. During this evening you will have an orientation meeting with your child’s teachers. These meetings will be staggered to accommodate families that have children in multiple classrooms. We will provide childcare during the meetings.

Please email or call us if you have any questions, we know it is a lot of information to absorb! ...Uh oh, those summer nights
