- Mon Oct 12 - Columbus Day - No school
- Board of Trustees Annual Meeting and Fall Parent Social 6:30 pm

And we are off!

It's finally here, a new school year at Oak Grove! Welcome to all of our new families and welcome back returning families! In Montessori we encourage our students to ask questions in order to move forward in their comprehension and I ask that you, as parents do the same! We are here to help you as you navigate your child through these years and through Oak Grove. So please email, call, or stop by the office if you have any questions at all.

Some of you may remember Muffin Mondays from a few years ago. This year we will be re-introducing Muffin Mondays with a little more of an agenda (but still time to socialize). On one Monday of each month, we gather after drop-off in the morning. I will update folks on happenings and upcoming events. It is a time to ask questions and to get involved in some planning and executing of different Oak Grove events throughout the school year. It is also a great opportunity to get to know other parents. So, if you can, stay on those Mondays for a few minutes after drop-off. In the nice weather we meet outside under the pavilion; otherwise we will meet right in the lobby.

Celebrate Mansfield Day Parade

We are hoping that you will all join us on Sunday, September 20th, at noon to march in the Mansfield Day Parade! It is a super fun day for the whole family. The parade is just a small part of a big fun day! We will meet at 11:30 to line up for the parade by the Storrs post office. We will carry a big Oak Grove banner, gently throw candy to the parade watchers. And for all those who march in the parade, you will get to wear (and then keep) an Oak Grove foam finger!!! Yes, you heard me, a foam finger! Now that’s a parade! Please come out and help support our school! We need you all!
