November is a time for giving thanks. It is a time to give thanks for the past year, but it is also a time to give thanks for the possibilities that lie ahead. Here at school, each child represents the possibilities of the future. It is these possibilities that help us to remember why Oak Grove is here and the incredible importance we all play in the lives of our growing children.

I am grateful for all the hard work that the staff, families and students contribute to the success of this school.

As we get busy with our families and our traditions during this holiday season, let’s take the time to remember that there are so many families in our greater community that need our support and giving spirit. I am asking that as a school, our community come together and support two very important local charities to serve the needs of so many of our neighbors.

⇒ Please sign up for the Walk for Warmth and walk with us to raise money for those in our area that need help paying for heating fuel during the cold winter months. If you cannot walk, please donate and still represent Oak Grove in this effort.

⇒ Food Drive for Covenant Soup Kitchen - please bring in non-perishables to help us help those amazing folks that work so hard filling the empty stomachs of so many children and adults.

There is information in the lobby about both of these Thanks and Giving opportunities.

Don't forget to buy your 2015-16 OGMS Calendar. They make great holiday gifts for friends and family!
And here are a few reminders of why we are grateful and thankful for Oak Grove...
