Upcoming Events...

- Mon June 5 - 3-6 classroom field trip to Alpaca Farm (weather permitting)
- Fri June 9 - 1st year students in 6-9 classroom field trip to Dinosaur State Park
- Tues June 13 6:00pm - 9-12 classroom graduation ceremony and presentation of senior projects
- Wed June 14 6:00pm - 6-9 classroom graduation ceremony and research presentations
- Thurs June 15 1:00pm - 3-6 classroom graduation ceremony and research project presentations
- Fri June 16 12:30 - Early dismissal and pot luck picnic lunch, weather permitting - food sign ups in the lobby - Last Day of School - No Aftercare

The entire Oak Grove community is invited and encouraged to attend all three graduation ceremonies. Help us celebrate our students who have completed a Montessori cycle.

And poof...

Another school year is coming to an end. It always amazes me how quickly the years go by. Perhaps it was my own milestone of turning 50 this year, or another one of my children graduating from college, but the notion of the quick passing of time reminds us that childhood is so brief. This is the small window, the blink of an eye, that the Oak Grove community pours its energy into. This community is dedicated to guiding young children toward their place in the world. This year we saw such growth and transformation and we are reminded of the importance of Oak Grove and our entire community. We are grateful.

The end of the school year brings high emotions. It is a hustle of busy schedules at school and at home. Knowing that summer is close, we all seem to accept a fast pace and overflowing schedule, filled with ceremonies, events, and traditions. These events are important and mark the finishing of projects, moving up events, graduations and the traditional rituals of the last days of school.

As the summer begins and we have the opportunity to slow down a little, let's remember that childhood is brief and precious. We must actively protect childhood. We are witnessing an increase in pressures on our children. The world is shouting at our children to do more and to hurry up. The virtual merry-go-round gets faster and faster. The more the world wraps itself up with uncertainty and conflict creating more anxiety and pressure, the more we must push back. Our children need us to slow down. The greatest gift we can all give our children is our time and our attention. I wish you all a restful and rejuvenating summer filled with laughter and adventure. Be grateful. Be present.

Summer Play Group at Oak Grove

Starting on July 11, Tuesday mornings from 9:30 - 11:30 am, when the weather cooperates, the OGMS playground and the use of the bathrooms will be open for our families to enjoy. Make plans with friends to meet here and catch up! Bring snacks and water. It's fun for the kids to see each other and play. Playground rules apply.
Oh What a Spring it's Been!

History Fair • Research Night • Field Trips • Special Person’s Day • Music Concert

Senior Trip

Delaware Water Gap and Philadelphia
We Are Making Progress...

We are getting close to the end of our fiscal year. We are making progress on meeting our Annual Appeal goal. Please Help Us Reach This Needed Goal.

The Annual Appeal supports our operating budget and covers a large part of the gap left after tuition. Oak Grove remains committed to keeping tuition cost at the most affordable rate possible. We strive for 100% participation from our families, staff and board members. Full participation shows clearly in our grant applications, that our community fully believes in and supports the mission and values of our school. The dollar amount is important and we ask that everyone give as generously as they can. Equally important is reaching our 100% participation goal. Give $10 or give $10,000. Give to the Annual Appeal at the level you are comfortable.

Click on this link to make a donation right now!
You can also find this link on the home page of our website www.ogms.org.
Please forward this to family and friends that would like to support our school too!

We are currently at 48%. We ended last year at 63%.
Please help us beat last year's participation rate!

Yolk Grove
Summer Help Needed

Would your family like to care for the Yolk Grove chickens over the summer? We are looking for a few families to take responsibility for the care of the chickens and the coop for one week. There are eight weeks. You and your child/ren would be fully trained. It will take no more than an hour each day. It will involve a little time in the morning and in the late afternoon.

If you are interested in helping us for one week, please come and sign up with Sue or Cindy in the office. We will assist and give you all the information and supplies that you will need. We need eight families to each pick a week!

This will be a great opportunity for your family to stay involved over the summer and provide some very needed assistance!
