Please join the Oak Grove Board of Trustees
Fall Parent Social
Wednesday October 18th at 6:30pm

Enjoy a glass of wine, beer or cider and a few snacks. Meet the current board of trustees and the entire staff and hear about this year's goals and vision and how you can get more involved.
We encourage at least one (but hopefully more!) parent or guardian from each family to attend.
(childcare will be available if needed)
A sincere THANK YOU to all of you who came out and support Oak Grove the past couple of weeks at the Celebrate Mansfield Day and the Willimantic Downtown Country Fair.

Both of these events are so important to our community as we deepen our roots in our larger surrounding communities.
Happenings Around the Grove...
Family Morning in the Classrooms, Trip to Logee's Greenhouses, and so much hard work!!

Thank you to Sharon Beebe and to Beebe Construction for donating and delivering much needed sand for our sandboxes!! And thank you to all the little hands and feet that helped me move and spread it!!
